Now It's Spring Again!

Time of year when Nature and man alike put on new garb and brighten up a bit. Speaking of Spring Suits, what are you going to do about yours? Are you going to continue to pay high-priced tailors ten, fifteen or twenty dollars? We are not overstating the case. It doesn't do you any good to pay it. The tailor can make you no better Suit than we can sell you. Our Spring Clothing is now in. Our Suits are so excellent in every way that you will want one the moment you see them. Not only Suits, but Spring Overcoats, Rain Coats, Hats—in fact everything you need for Spring. Call and look them over. We will be pleased to show them to you.

George F. Hall, the favorite comedian, in "A Ragged Hero," one of the most successful comedy dramas on the road, will be the attraction at the Barre opera house April 3d. A novelty in comedy dramatic sensations is furnished in the third act of this play when the heroine, bearing a reprieve for her lover, who is about to mount the scaffold, coasts down a hill to the prison, crossing a railroad track as the fast express thunders by and escaping death by the fraction of a minute. This effect is ingeniously and picturesquely contrived and invariably sets audiences in an uproar.

WHAT IS CATARRH?

Hymel Cures This Common and Disagreeable Disease.

Hymel cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of the catarrhal poison, heals and soothes the irritated mucous membrane, enters the blood with the oxygen and kills the germs present there, effectually driving this disease from the system.

If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the nose, throat, bronchial tubes or tissues of the lungs.

Offensive breath, Dryness of the nose, Stomping of the nose at night, Aching of the body, Droppings in throat, Mouth open while sleeping, Ticking back of the palate, Formation of crusts in the nose, Dryness of the throat in the morning, Loss of strength, Spasms of coughing, Cough short and hacking, Cough worse nights and mornings, Loss in vital force, A feeling of tightness across the upper part of the chest.

Hymel will cure the disease, destroy activity of all germ life in the respiratory organs, enrich and purify the blood with additional ozone, and after a few days' use of this treatment the majority of these symptoms will have disappeared. In a few weeks the cure will be complete. Catarrh or catarrhal colds cannot exist when Hymel is used. This is a strong statement, but Rickert & Wells emphasize it by agreeing to refund your money if Hymel does not cure.
